

## 2006 Pinewood Derby Championship Pack 242

We hope you're fired up for the Pack 242, 2006 Pinewood Derby Championship. We'll have a little different format this year with the action spread over two days. The divisions for this year are described below.

Pleasure	Race tune up for anyone with a car. These aren't official races, so it is a great opportunity for a few more times down the track with that car on which you worked so hard. It is also a great opportunity to tune your car before you register.
Open	This is a competitive race for anyone with a regulation Pinewood Derby car. A great opportunity for those 'older' cub scouts.
Outlaw	We finally decided we needed an outlet for all those competitors that want to push the envelope of Pinewood Derby. Outlaw rules apply, which means there aren't many.
Cubs	Oh yeah, the kids get to race too. Each cub scout rank will race for the gold.
Pack Championship	The top two racers from each cub scout rank will vie for the pack 242 championship
Race of Champions	The top three cars from our pack will race against cars from other packs in the second annual 'Race of Champions'. The traveling trophy is up for grabs.

The action starts Friday, March 3, and continues Saturday, March 4. The schedule below will let you know when to show up, but you're welcome to come and enjoy the whole show. A Pleasure Division is open both days and all cars are welcome regardless of when you're scheduled to race.
